

SL-HDIE-MS

SnapLock™ HDIE Micro Slide Earpiece

The SL-HDIE-MS is part of the SnapLock™ System and delivers a hygienic and flexible communication solution for shared use in any environment. It connects to SnapLock 1-, 2-, or 3-wire systems, allowing the cable and PTT to stay with the radio while swapping the earpiece. The speaker offers exceptional voice clarity while maintaining environmental awareness. The premium armature micro speaker ensures crisp, clear communication, and the ultra-light, low-profile design provides all-day comfort.

Features

- Can be worn on the left or right ear
- Sliding ear frame cable guide adjusts to provide a perfect fit
